Our Weekly Giving

Teaching churches and communities to prepare for disasters, providing immediate humanitarian relief and aiding long-term recovery are important jobs of Global Ministries and UMCOR. This work, said top executive Roland Fernandes, is “accomplished through disaster relief and recovery, risk-reduction programming, addressing the needs and rights of migrants worldwide, improving livelihoods, increasing food security, and promoting environmental sustainability to reduce the impact of climate change.”

Methodism’s focus on health as a part of mission dates back to the 19th and 20th centuries when missionaries expanded the options for health care in underserved communities. Through United Methodist conferences and health boards, Global Ministries strengthens networks of health responses, from revitalization of facilities and staff training to building better water sources, developing sanitation facilities and promoting nutrition. Global Health concentrates on eradicating preventable diseases, such as malaria, HIV and AIDS and COVID-19, and supporting the most vulnerable populations, including mothers, newborns and children.

Through the World Service Fund, United Methodist congregations support Global Ministries.

Change for Change offering

Through the month of May we are collecting change as a noisy (or foldy) offering at the start of “Kids’ Time.” 100% of this offering will go toward children’s activities.

Nursery is open

The nursery is now open! We are happy to have families in worship with us, and we know that our youngest guests need a space where they are free to wiggle and play, just as God intended. Carrie Myers and our nursery volunteers are happy to watch over the kids. And if you’re interested in volunteering in the nursery, just let Carrie or Pastor Tom know.

Upper Room

May/June issue of the Upper Room Devotional is now available. If you are not able to pick up a copy at the church, you may request to have a copy mailed to you.

Covid Update

Clackamas County is at a Medium Community Risk Level, while caution is still advised, masks are optional in public spaces. At Oregon City UMC, we recommend the wearing of masks, but we are not requiring them currently.
